CIRCULAR

Subject: What is new in Regulations governing M.Arch., M.Tech., MBA, MCA and M.Plan regarding...

Reference: JBOS 10.02.2023 and 171st EC meeting Proceeding no. 2.2.1 dated: 23.02.2023

Pursuant to the aforesaid Executive Council Proceedings the Regulations Governing the award of a master's degree under Outcome-based education and choice-based credit system (2022) are already notified.

Compared with previous regulations what is new in this (2022 scheme) regulations governing the post-graduate programs are listed below for information-

Grading System;

(i) The University adopts an absolute grading system wherein the marks are converted to grades, and every semester's results will be declared with semester grade point average (SGPA) and Cumulative Grade Point Average (CGPA). The CGPA will be calculated for every semester, except for the first semester.

(ii) The grading system with the letter grades and the assigned range of marks under the absolute grading system are as given below:

Letter Grade and corresponding Grade Points on a typical 10 – Point scale							
Letter Grade	O	A+	A	B+	B	C	F
	Outstanding	Excellent	Very Good	Good	Average	Pass	Fail
Grade Point	10	9	8	7	6	5	0
% of Marks secured	90-100	80-89	70-79	60-69	55-59	50-54	0-49

(i) Minimum mark to score for CIE is 50% of the maximum marks of CIE, and the minimum passing mark for SEE is 40% of the maximum marks of SEE. In aggregate, the students have to secure 50% total marks of the course (CIE+SEE marks).

(ii) A student obtaining a Grade F in a Course shall be considered a failure and is required to reappear in subsequent SEE. Whatever the letter grade secured by the student during his /her reappearance shall be retained. However, the number of attempts taken to clear a Course shall be indicated in the grade cards/ transcripts.

Conversions of Grades into Percentage and Class Equivalence;

There is no formula for the conversion of CGPA into the percentage of marks. However, the following formula for conversion of the CGPA on a 10-point scale into the percentage of

	<p>marks (M) for employment / higher studies, etc may be used; Percentage of marks secured, $M = \text{CGPA Earned} \times 10$ Illustration for a CGPA of 8.20; Percentage of marks secured $M = 8.20 \times 10 = 82.0 \%$</p>
	<p>Passing Standards; The weightage of Continuous Internal Evaluation (CIE) is 50% and that for Semester End Exam (SEE) is 50%. The minimum passing mark for the CIE is 50% of the maximum marks, and that for SEE is 40% maximum marks. A student shall be deemed to have satisfied the academic requirements and earned the credits allotted to each subject/ course if the student secures not less than 50% marks in both CIE and SEE put together. The Minimum Passing Grade in a course is C.</p>
	<p>Vertical Progression Candidates, with not more than four backlog courses of the first year, shall be eligible for taking admission to the second year (III semesters).</p>
	<p>Multiple Entry and Multiple Exit; (M. Tech.,) The multiple entries and exit points in the academic programs offered at Higher Education Institutions (HEIs) would remove rigid boundaries and create new possibilities for students. There are occasions when learners have to give up their education mid-way for various reasons. To facilitate flexible learning within the stipulated period (four years for regular students), multiple exist and entry options are given to needy students. The student can exit from the program only at the end of the even semester/s (2nd semester) and the re-entry option is provided to the students at the beginning of the odd semester/s (3rd semester). However, the students who pass all their registered courses of the 1st and 2nd semesters as per the scheme of teaching and examinations and obtain the required credits shall be awarded Post Graduate Diploma Certificate if he/she shall opt for the exit. However, he/she shall be permitted to take admission (3rd semester) subjected to the maximum duration of the course. He/she has to complete 06 weeks of Internship before admitting to 3rd semester.</p>

All the principals of all the Engineering Colleges are hereby informed to bring to the notice all concerned.

If any clarifications /suggestions/corrections email them to sbhalbhavi@vtu.ac.in or registrar@vtu.ac.in
