CIRCULAR

Sub: Participation in IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON)

Ref: E-mail dated 05.04.2023 from Nitte Meenakshi Institute of Technology, Bengaluru.

Adverting to the above subject, this is to inform that, Nitte Meenakshi Institute of Technology, Bengaluru in association with IEEE Bangalore Section is organizing **IEEE International Conference on "Networks, Multimedia and Information Technology (NMITCON)"** during 1st -2nd September, 2023 at Nitte Meenakshi Institute of Technology, Bengaluru.

The objective of the International Conference is to provide, an exceptional opportunity for deliberation of latest trends and technologies in the design, application and development of Networks, Multimedia and Information Technology. It also creates a forum for young researchers to find the potential research problems and prospects in their respective research areas.

For more details about the International Conference, you may visit Conference URL: <https://www.nmit.ac.in/nmitcon.php>. and for any clarifications, you may send an email to nmitcon@nmit.ac.in.

You are hereby requested to bring the contents of this circular to the notice of all the Research Scholars and Students of your college and encourage them to participate in this International Conference.

About Visvesvaraya Technological University (VTU), Belagavi

VTU is one of the largest Technological Universities in India with 24 years of Tradition of excellence in Engineering & Technical Education, Research and Innovations. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. The university is currently having 182 affiliated colleges, 1 constituent college and 25 Autonomous colleges with undergraduate programs in 37 disciplines, PG programs in 96 disciplines and Ph.D. & M.sc(Engg.) research programs with 7 faculty, over 3 lakhs Engineering Students study in the various institutes affiliated to the University.

About Nitte Meenakshi Institute of Technology (NMIT)

Established in the year 2001, named after Meenakshi Hegde, wife of the Founder of Nitte Education Trust, Justice K.S. Hegde, NMIT is affiliated to VTU and one of the youngest Engineering colleges in the Country to be conferred the prestigious Autonomous Status by the UGC in the year 2007 itself, and also is accredited with NBA (Tier-1) and NAAC 'A+' Grade and Platinum Grade by AICTE-CII apart from getting ranked 183 in India among technical institutions, by the NIRF, Ministry of Education, Government of India in the year 2022. NMIT has bagged 5th Rank in the year 2021, among the Top Private/Self Financed Institutes in India in the survey conducted by 'Atal Ranking of Institutions on Innovation Achievements', under the aegis of Ministry of Education, Government of India.

The Institution offers :-

4-year Under Graduate - Bachelor of Engineering (in Aeronautical, Artificial Intelligence & Data Science, Artificial Intelligence & Machine Learning, Civil, Computer Science, Electronics & Communication, Electrical & Electronics, Information Science, Mechanical),

2-Year Post Graduate – Master of Technology (in Defence Technology, Data Science, Aerospace, Renewable Energy, Structural Engineering, VLSI Design & Embedded Systems, Computer Science, Robotics & Artificial Intelligence),

2-Year Post Graduate - Master of Computer Application (MCA), 2-Year Post Graduate - Master of Business Administration (MBA) and Ph.D programs (under VTU and UoM).

About the Conference:

The conference provides an exceptional opportunity for deliberation of latest trends and technologies in the design, application and development of Networks, Multimedia and Information Technology. It also creates a forum for young researchers to find the potential research problems and prospects in their respective research areas.

Call for Papers:

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, Experiment works and industrial experiences that describe significant advances in the following areas, but are not limited to, the following:

TRACK 1 : Networks

- Heterogeneous Wireless Networks
- Adhoc and Sensor Networks
- High Speed Networks
