CIRCULAR

Subject: Use of formula **Handbook in Examination** Regarding...

Reference: Hon'ble Vice-Chancellor's approval dated: 09.04.2023

The Formula Book Handbook for 1st-semester students is prepared by the Chairperson and members of concerned Board of Studies mainly for-1). Helps students to track down important formulas faster, 2) Reduces the remembering of the formula by memorizing and saving time 3). Increases accuracy and adds to your speed of solving numerical/problems. 4) Saves students from hassle and chances of mistakes in the deduction of formulas. 5). It helps to solve the questions quickly. 6). Help the students to use their ability and creativity and good sort of potential to find solutions.

In view of this formula handbooks are made available for the following subjects (Courses)

- Mathematics Course of 1st and 2nd semesters of all the stream of Engineering
- Chemistry course of Chemistry Cycle students of all the Engineering stream
- Physics course of Physics Cycle students of all the Engineering Stream
- Electrical Engineering for the Electrical & Electronics Engineering Stream and for the students who are opting for BESCK104B -Introduction of Electrical Engineering

As per the directions of the Hon'ble Vice-Chancellor the printed formula handbooks are supplied to colleges directly from the printer office to the Principal of the college with the numbers of copies equals to number of students admitted to 1st years (+ office copies). The college has to make payment directly to sender (printer) only. No payment to University, however scanned copy of the paid receipt shall be emailed to sbhalbhavi@vtu.ac.in or registrar@vtu.ac.in

The details of the printer are mentioned below for your reference and confirmation;

EDUBUDDY School Pvt Ltd, 3rd floor, M1598, Adjacent to Foundry Cluster, Dutch Industrial Estate, Rani Channamma Nagar, Angol, Angol-Industrial Estate, Belagavi-590006, Karnataka (Contact no. +91 8088656234)

Please note that

- All the colleges have to purchase the formula handbooks of the above-mentioned subjects and make them available for the students during examinations.

B

- Each student has to use an individual copy of the handbook in the examination supplied by the college; exchange of the handbook is not allowed amongst the students during the examinations.
- The college has to take care that, printed copy only used by the students during the examination; Xerox copies of the books are not permitted.
- The room supervisor has to collect the formula handbook back from the students after the examination.
