CIRCULAR

Sub: Deputing Librarians of AICTE approved Institutions for the Online STTP Jointly organized by AICTE & VTU-reg,

Ref: Hon'ble Vice Chancellor approved para No.10 dated 27-01-2023.

With reference to the above-cited subject, this is to inform you that AICTE-VTU is jointly organizing a Short Term Training Program on "**Innovating Research Methods: a Guide to Reimaging Research Tools (IRMRRT)**" for Librarians in AICTE approved institutions from 12th to 16th June 2023 through Online.

The STTP's Primary goal is to train up the professionals in Library Science with the state of the art research tools. Further, Innovation in research methods is essential to drive scientific progress and address complex challenges. By embracing new technologies, interdisciplinary collaboration, and user-centered approaches, researchers can reimage their research tools and unlock new possibilities. This Training serves as a roadmap for Library professionals to navigate the evolving research landscape, empowering them to create more efficient, impactful, and ethical research methods.

Hence, you are requested to depute Library Professionals of your college to the above said online training program (There will be no Registration Fee) and support Library Professionals to enrich their professional skills.

<u>Eligibility</u>: Librarians from AICTE Approved Technical Institutes are eligible to participate in the Short Term Training Program.

About VTU

Visvesvaraya Technological University (VTU) named after Bharat Ratna Dr. Sir M. Visvesvaraya established on 1st April 1998, as per the VTU Act 1994 of the Government of Karnataka. University has been established by the Government of Karnataka in order to promote planned and sustainable development of technical education and has its Head Office located in Belagavi in the state of Karnataka. Reckoning the fact that, University is a set of confluence of knowledge and as a technological University, Visvesvaraya Technological University does not restrict itself only to curricular activities but also emphasizes on the overall growth of knowledge in society and hence its campus in Belagavi is named aptly as "Jnana Sangama".The University has jurisdiction over the whole state of Karnataka.VTU has established four regional centers at Bengaluru, Mysuru, Kalaburagi and Belagavi for administrative convenience. VTU is one of the prestigious and largest technological Universities in India having one Constituent College, 210 Engineering colleges and 21 Autonomous Colleges.

VTU is imparting technical education to more than a lakh students under its 35 Undergraduate & 94 Postgraduate Programs. VTU is offering Doctoral programs in 865 departments in various affiliated Colleges which have been recognized as research centers. Around 5000 Research Scholars are pursuing for Doctoral and M.Sc.(Engineering) By Research programmes. VTU has established full-fledged Centers for Post Graduate Studies at Muddenahalli, Kalaburagi, Belagaviand Mysuru.

About AICTE, New Delhi

All India Council for Technical Education (AICTE) was setup in November 1945 as a national-level apex advisory body to conduct a survey on the facilities available for technical education and to promote development in the country in a coordinated and integrated manner. And to ensure the same, as stipulated in the National Policy of Education (1986), AICTE was vested with:

- Statutory authority for planning, formulation, and maintenance of norms &standards
- Quality assurance through accreditation
- Funding in priority areas, monitoring, and evaluation
- Maintaining parity of certification & awards.

About the SGBCLIC, Belagavi

Sri. S. G. Balekundri Central Library and Information Centre(SGBCLIC) established in the year 2000. Since its inception, the Library is supporting the teaching, learning, and research activities by continuously developing and providing access to core information resources required by the academic fraternity of VTU. Its primary mission is to fulfill its stakeholders' present and anticipated scientific and technical information requirements. The SGBCLIC plays a significant role in creating and disseminating knowledge resources to support the University's teaching, learning, research, and extension programs. In addition to this, the Library is providing Wi-Fi and access facility off-campus to Institutional Repository. It also regularly organizes orientation programs, conferences, and seminars to enhance the usage of its resources. It subscribes to several electronic databases, eBooks, and full-text journal access through its dream project VTU Consortium.

PROGRAMME OBJECTIVES:

All India Council for Technical Education (AICTE) sponsored Five Day's Short Term Training Program (STTP) on "Innovating Research Methods : A Guide to Reimaging Research Tools (IRMRRT)" is being organized by Visvesvaraya Technological University (VTU) Belagavi from 12th June to 16th June 2023 for Library professionals of AICTE approved institutions in India through Online.

Innovation is the driving force behind progress in every field, and research methods are no exception. The landscape of research has transformed significantly in recent years, with advancements in technology, data analysis techniques, and interdisciplinary collaboration. To harness the full potential of these developments, researchers need to reimaging their research tools and adapt them to the changing requirements of the modern era. This guide aims to provide researchers with insights and practical guidance on how to innovate their research methods, enabling them to stay at the forefront of their respective fields.

Innovation in research methods is essential to drive scientific progress and address complex challenges. By embracing new technologies, interdisciplinary collaboration, and user-centered approaches, researchers can reimaging their research tools and unlock new possibilities. This guide serves as a roadmap for researchers to navigate the evolving research landscape, empowering them to create more efficient, impactful, and ethical research methods. By continuously innovating and adapting, researchers can shape the future of their fields and make significant contributions to society.

Resource Persons:
Renowned experts from reputed institutions & industry.

Eligibility:
Library professionals from AICTE Approved Technical Institutes are eligible to participate in the Short Term Training Program on "Innovating Research Methods : A Guide to Reimaging Research Tools (IRMRRT)".

Registration Fee:
No Registration Fees

How to Apply: Registration Form and through online

https://forms.gle/dwStivQt3mBFijGZ8

Programme Timings (Each Day):
i. First session; 10.30 AM to 12.00 PM (1.5 hours).
ii. Second session: 12.00 AM to 1.30 PM (1.5 hours).
iii. Lunch break: 1.30 PM to 2.30 PM
iv. Third session: 2.30 PM to 4.00 PM (1.5 hours).

Certificate:
The certificate of participation for the library professionals who register for the program shall be issued, provided they satisfy the attendance requirement of 80 % of the 15 sessions held during five days of the program and secure 60 % of the maximum marks (100) prescribed for formative evaluation and summative evaluation.
