1. 1 Lecture(Theory) Hours - 1 Credit 1 Studio(Practical) Hours - 1 Credit, 2SDA hrs-1 credit (Include Library hours/workshops, seminars).												
2. Minimum Marks for passing: Progressive Marks 50%, Theory Marks - 40%, and Viva Marks - 50%. Average passing should be 50%, PP Passing is mandatory.												
22I DC1 1	1. Studio: Students and course instructor/s to be involved individually or in groups to interact to enhance learning and application skills. The students should interact with the construction industry (small, medium, and large), understand their problems or foresee what can be undertaken for study in the form of research/ case study testing projects, and for creative and innovative methods to solve the identified problem. Students will: (1) Gain confidence in working along with construction industry professionals. (2) Work on different software/s(tools)to simulate, analyze and authenticate the output to interpret and conclude. (3) Handle advanced construction equipment and materials to enhance technical talent. (4) Involve in case studies and field visits/fieldwork. (5) Accustom to codes of standards to narrow the gap between academia and the construction industry.											

<p>All activities should enhance student's abilities to employment and/or self-employment opportunities, management skills, Statistical analysis, fiscal expertise, etc.</p> <p>2. Skill Development Activities: They may be in the form of periodic site visits, guest conferences, and webinars and webinars, not a fixed slot in timetables.</p> <p>3. Viva voce: The viva voce shall be conducted for a duration of 20 minutes (per student) for the subjects listed under viva voce for all the semesters.</p> <p>4. Audit Courses: The Audit course can be any course offered online from swayam/MOOC/Coursera recommended from BOS of VTU. The student shall submit a letter requesting the desired course/subject from the interesting program to the Head of Department to obtain NOC before the commencement of the semester.</p>
