CIRCULAR

Subject: Clarification about SEE for the course Biology for Engineers (21BE45) regarding...

Reference: Opinion of the Chairperson BoS in Technology VTU Belagavi and Syllabus copy of the course.

The university has received numerous inquiries on the semester-end examination (SEE) structure for the course "21BE45-Biology for Engineers" 2021 scheme. It has been made clear that the SEE for the aforementioned course does not use question papers with multiple-choice answers (MCQs). The SEE exam paper format for the course mentioned above is the same as that for three-credit courses. All the stakeholders are hereby informed to note the same and follow as mentioned in the syllabus copy that was made available @ <https://vtu.ac.in/pdf/2021syll/21be45.pdf>

Also, all the chairpersons/Program Coordinators of PG Departments of the university, and all the Principals of Engineering Colleges under the ambit of the University are hereby informed to bring the content of the CIRCULAR to the notice of all concerned.
