<u>**CIRCULAR**</u>

4 weeks Free Internship

VTU Post Graduation and Skill Development Centre (VTU PGSDC) Talakal is established in year 2022 with the Vision to impart Skills and Research focused higher studies. The campus established in Talakal, Kukanur Taluk , Koppal Dist., attached to the National Highway 67 and adjacent to the Government Engineering college. Centre is 15 km away from the district head quarter and well connected by the road and railways.

This lush green campus is spread across 22 acres having an excellent infrastructure such as Administrative block, Research centre, Valauation centre, Staff quarters, Guest house and separate Hostels for the boys and girls students, Campus is also having the facilities like Health center, Post office, bank, Library etc

Eduphygital Centre of Excellence (CoE) is established at VTU Post Graduate and Skill Development Centre (VTU PGSDC) Talakal. The CoE imparts free training and internship to the Mechanical, Civil and Electrical students of VTU affiliated colleges. CoE is powered by Medini Technologies Bengaluru.

A **4 weeks Internship** is planned for thestudents of 6th semester Mechanical and Civil Engineering. Students are trained on Auto desk FUSION 360, Auto CAD 2024, BIM, Revit Architecture 2024, Revit MEP, Revit Structure and Staad pro software's. One week Hands on training is given to the students at Eduphygital CoE established at VTU Post Graduate and Skill Development Centre Talakal and 3 weeks online sessions are delivered and given an opportunity to interact with the domain experts to know and understand the advanced technologies emerging in the industries.

Students must have to submit the assignments and live case studies are discussed to update the students' knowledge base during the online session. After completion of the course students must have to undergo the assessment process. An Internship completion certificate will be issued to the students who have successfully completed their internship programme. The certificate is approved by AICTE, Auto Desk and VTU.

The Internship offered by the CoE are:

1. **Digital Transformation in Product Design and Manufacturing** for
    Mechanical and Allied branch students
        The Students are trained on Auto desk FUSION 360 software which gives

Complete Software solutions for product design, modeling and analysis. Students will engage with hands on projects and Real world case studies. Licensed version of the software valid for one year is installed in the laptops of individual students.

2. **Building Information Model (BIM intermediate)** for **Civil Engg Students**.

The Students are trained on BIM, Auto CAD 2024, Revit Architecture 2024, Revit MEP, Revit Structure and Staad pro. Students will engage with hands on projects and Real world case studies. Licensed version of the software valid for one year is installed to the laptops of individual students for the practice.
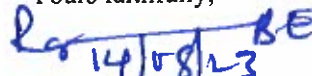

Important dates and Notes about Internship:

Date of commencement of the internship	21st August 2023
Duration of the Internship	4 weeks (21st August to 15th Sept.2023)
	1 week offline hands on training, 3week online by the domain expert.
Maximum students per batch	40
Registration fees	Nil
Food and Accommodation charges	Have to Pay extra for one week stay
Mode of registration	Online (students must have to upload the letter of recommendation from the head of the institution)
Selection procedure	Registration link will close immediately as registration reaches the maximum batch size
Start of the registration	5th August 2023
Last date for the registration	18th August 2023
Mandatory Requirements	Bringing laptop is mandatory
	Hostel aspirants must bring bedspread and blanket
Registration link	**Mechanical and allied Branch Students:** https://forms.gle/2HdKbeDLfCUhDLds7
	Civil Branch Students: https://forms.gle/Axnp5apQCcgW6dEY8

Yours faithfully,

REGISTRAR

To,
    The Principals of all Engineering Colleges affiliated and the constituent Engineering College, VTU, Belagavi.

FREE INTERNSHIP ON
PRODUCT DESIGN & MANUFACTURING

Internship program for Mechanical & its Associated Engineering Students (Affiliated to VTU only)

REGISTRATION OPEN: 5th Aug. 2023
REGISTRATION CLOSE: 15th Aug 2023
COURSE START DATE: 21st Aug 2023

Hurry Up limited seats available.

- **Duration:** 1 month
- **Products Covered:**
  - Introduction to Product Design & Manufacturing | Fusion 360
- **Location:**
  Government Engineering College,
  Talakal-583238
- **Internship:** Participants will engage in hands-on projects and real-world case studies
- **Benefits:** Licensed Version software till academic completion, Recognised Internship Certificate in association with AICTE & VTU
- **Procedure:** Apply online with link given, shortlisted candidates will be informed and details will be shared to the student & college. If the student fail to attend will be penalised for the same.
