CIRCULAR

Sub: Internship Programme at VTU Bosch Rexroth Centre of Competence, Mysuru-reg.
Ref: VTU/BGM/ACA/2023/2916/dated:11.09.2023.

VTU Bosch Rexroth Centre of Competence, Mysuru is one among the three international training centres on Automation Technologies in the Asia - Pacific Region. The VTU Bosch Rexroth Centre is a joint collaboration with Bosch Rexroth, Germany.

Since its inception in the year 2007, the centre has been organising students training programme to bridge the gap between industry and academia. Centre has conducted students training programme to affiliated engineering colleges and Train the Trainer programme (TTT) for faculty members of various universities and industry experts.

In view of the above, VTU Bosch Rexroth CoC is offering Internship training programme to the students of B.E. (Bachelor of Engineering) in Mechanical Engineering, Electrical Engineering, Electronics & Communication Engineering, Information Science and Computer Science Engineering of various domains in Programmable Logic Controllers, Sensorics and Hydraulics.

Hence, request hereby made to bring this information to the notice of faculty and students to get benefitted by sending the students of Constituent/ affiliated & autonomous Engineering Colleges under the purview of VTU to the internship programme to VTU Bosch Rexroth Centre of Competence, Mysuru. As per the above reference internship programme would commence from 25.10.2023. Please find the enclosed training details & Brochure for your kind reference. Further, for any information, please contact Smt. Deborah Stanley, Assistant Technician, VTU BR-CoC @ 0821-2570009 or vtubosch@vtu.ac.in on or before 18.10.2023.

Enclosure: VTU Bosch Rexroth Centre of Competence Training Details, & Brochure.

Yours faithfully,

To,

All the Principals of Affiliated, Autonomous & Constituent Engineering Colleges
under the ambit of VTU Belagavi
