CIRCULAR

Subject: Project management with Git –A faculty Development Program regarding...

Reference: The Hon'ble Vice-Chancellor's Approval Dated 06.10.2023

Sir/ Madam

BGS College of Engineering Bengaluru has organized one day faculty development program on **"Project Management with Git"**. This course is part of the Ability Enhancement Courses at the 3rd-semester level of the Computer Science and Engineering program and other CSE allied programs. The FDP scheduled on **28th November 2023**.

The FDP on "Management with Git" is opportunity for the entire faculty to enhance their knowledge and skills in this rapidly evolving field, and it aligns perfectly with the university curriculum and teaching interests.

Program details are mentioned in the brochure attached to this letter. All the principals of engineering colleges are hereby informed to bring the contents of the circular and brochure to the notice of the entire faculty concerned.

Please note: Principals are requested to depute one faculty from their Institute without fail.

About VTU

By the VTU Act 1994 of the Karnataka government, VTU was founded on April 1st, 1998, to foster the planned and sustainable growth of technical education. The university's head office is in Belagavi, Karnataka. More than a lakh students are receiving technical education from VTU through its 46 undergraduate and 94 graduate programs. Doctoral programs are available at VTU in 865 departments across numerous linked colleges that have earned recognition as research hubs. At Muddenahalli, Kalburgi, Belagavi, and Mysuru, VTU has developed fully functional Centers for Post Graduate Studies. In Mysuru, the VTU has a Center for Online Education.

About the Institute

BGS College of Engineering and Technology (BGSCET), a new Engineering College with 5 market-demanding / employable / emerging (CS, IS, AI&ML, AI&DS, Design) UG courses in Engineering and Technology, established by BGSKH Education Trust(R.), A unit of Sri Adichunchanagiri Shikshana Trust(SAST) under the ambit of Sri Adichunchanagiri Mahasamsthana Math, a well-known philanthropic organization in Karnataka at Mahalakshmipuram, West of Chord Road, Bengaluru -560 086, Karnataka, a prime location having potential aspiring candidates from surrounding areas with good connectivity. The BGS College of Engineering and Technology has a clear vision and objective, in the quest for being an outstanding centre for learning and development of human resource, which is conducive to the fast changing national and international situations adhering to consistent policy of recruiting highly qualified teachers.

About the Department

The Department was established in 2022 with an intake of 60 and affiliated to Visvesvaraya Technological University. The department has best infrastructure with the latest high-end computing facilities to cater the academic needs of the VTU prescribed syllabus and provide a real-time experience to the students. The department has renowned faculty members with long academic experience and experts from industries. CSE department provides opportunities for the students to participate in Project showcase, Hackathons, Ideathons, Competitions, Startup & Entrepreneurial activities, Social activities etc.,

One-day Faculty Development Program
On
" BCS358C Project Management With GIT"
(As per 3rd Sem VTU-2022 scheme)

Date: 28th Nov 2023

Organized by
Department of Computer Science & Engineering, BGSCET, Bengaluru

In Association with
Visveswaraya Technological University, Belagavi

Venue:
BGS Auditorium

BGS College of Engineering & Technology
Adjacent to Mahalakshmi Metro Station, Mahalakshmi Puram, West of Chord Road, Bengaluru -560 086, Karnataka

About FDP

The FDP is aimed at strengthening and expanding the faculty members' expertise in the field of GIT so that they could provide eloquent support to their students. The session covers the various modules of GIT commands with hands-on training which enables participants to track and document changes in software development, making it an essential skill in the industry.

Program Objectives:

The objectives of FDP are;
- To be familiar with basic command of Git.
- To create and manage branches
- To understand how to collaborate and work with Remote Repositories
- To be familiar with version controlling commands

Program Outcomes:

The expected outcomes include;
- Use the basics commands related to git repository.
- Create and manage the branches.
- Apply commands related to Collaboration and Remote Repositories.
- Use the commands related to Git Tags, Releases, and advanced git operations
- Analyze and change the git history

Who Can Participate

Registration is open to faculty members of the Computer Science & Engineering and its allied branches under VTU.

Blessings:
His Divine Soul Jagadguru Padmabhusana
Sri Sri Sri Dr. Balaganagadharanatha Mahaswamiji
Founder President Sri Adichunchanagiri Shikshana Trust ®
