CIRCULAR

Subject : Fusion 360 software installation regarding...

Reference : VTU/BGM/BOS/FDP/2023-24/3728, Dated 31.10.2023

: email from the chairperson BoS in Mechanical Engineering VTU Belagavi dated 17.11.2023

Under the coordination of Dr. Govinde Gowda, Chairperson of the Board of Studies in Mechanical Engineering at VTU Belagavi, a three-day faculty development program on "**Introduction to Modelling and Design for Manufacturing**" using Autodesk's Fusion 360 was organized and held on November 6th to 8th of 2023, at six different colleges. The course on Modelling and Design for Manufacturing is introduced at the third-semester level in Mechanical Engineering and its allied branches of Engineering,. This Faculty Development Program has been led by Autodesk instructors. The whole Mechanical Engineering faculty of the colleges under the VTU have received practical/hands-on training from Autodesk trainers during FDP was held at six separate colleges. To help all colleges and install Fusion 360, Autodesk has now stepped forward.

This is brought to the notice of all principals of engineering colleges under the ambit of VTU that **Mr. Pradeep Kallur, Director, Medin Technologies, AutoDesk Learning Partner** is the single point of contact for supporting the installation and activation of the licenses for Autodesk products, Fusion 360 to all the affiliated institutes. Colleges **need not** have to pay any charges for this. For any support even for doubts on curriculum topics and tools, you can reach him over the call or email, details are given below;

Pradeep Kallur
