NOTIFICATION

Subject: Inviting Applications for Registration to B.E. / B.Tech. with **Minor Degree** Programme for the academic year 2023-24-reg... for the students with USN xxx21xxxxx(Regular), USN xxx22xx4xx (Diploma Lateral Entry), and USN xxx22xx6xx (B.Sc. Lateral Entry).

Reference:

- Regulations Governing the Minor Degree Program
- Hon'ble Vice-Chancellor's approval Dated: 24.11.2023

Preamble: A minor is a secondary field of study that undergraduate students can pursue in addition to their major. While the major is the primary focus of a student's academic program and is usually chosen based on career goals and interests, a minor provides an opportunity to explore another area of interest in a more limited fashion. To enhance employability skills and impart deep knowledge in emerging areas that are usually not covered in the Undergraduate Degree credit framework, AICTE has come up with the concept of a 'Minor Degree' in emerging areas. A minor Degree will carry 18 credits in addition to the credits essential for obtaining the Under Graduate Degree in Major Discipline (i.e. 160 credits for regular students and 120 credits for lateral entry students).

Objectives

The key objectives of offering B.E./B.Tech., with Minor programs are:

- To enable students to pursue an allied academic interest in contemporary areas
- To expand the domain knowledge of the students in one of the other branches of engineering.
- To provide an academic mechanism for fulfilling the multidisciplinary demands of industries.
- To increase the employability of undergraduate students keeping in view better opportunities in interdisciplinary areas of engineering & technology.
- To offer knowledge in the areas that are identified as emerging technologies/thrust areas of Engineering.
- Provides an opportunity for students to become entrepreneurs and leaders by taking a business/management minor.

B

- Provides an opportunity for Applicants to pursue higher studies in an interdisciplinary field of study.
- To increase the overall scope of the undergraduate degrees

Concerning the above, applications for registration for B.E. / B.Tech. Minor Degree Programs for the academic year 2023-24 are invited from eligible students.

I. Eligibility for Registration:
