Sub: Collaboration with Google's Cyber Security Course on Coursera – Free Course

It is with great pleasure that I bring to your attention a valuable opportunity for the students of our affiliated colleges to enhance their knowledge and skills in the field of cyber security.

VTU is bringing a comprehensive Cyber Security Course. The course aims to equip students with essential skills to thrive in the dynamic field of cybersecurity. What makes this collaboration particularly noteworthy is that Google has agreed to provide a question bank for VTU to conduct examinations, enabling students to obtain a certificate from our esteemed university upon successful completion of the Course.

Key Details of the Cyber Security course:

Course Name: Cybersecurity Professional Certificate Sponsored by Google
Duration of the Course: 120 Hrs
Fees: Free Course
Registration Deadline: December 25th 2023
On completion e-certificate will be awarded by Google-Coursera.

We encourage all eligible students to take advantage of this opportunity by registering for the course on Coursera before the specified deadline. The collaboration with Google not only ensures access to high-quality content but also provides our students with the chance to obtain a certification from VTU, further enhancing their academic and professional credentials.

Why Cybersecurity Study Jams?

Job-Ready Skills: The program imparts practical skills that are in high demand in the cybersecurity industry.

Accessibility: It's open to students with basic tech knowledge, making it accessible to a wide range of learners.

Flexible Learning: Students can study at their own pace, dedicating just 5-10 hours a week.
