CIRCULAR

Subject: Running Parallel Classes for the old (Phase out) scheme regarding...

Reference: Hon'ble Vice-Chancellor's approval dated: 02.02.2024

VTU/BGM/Aca-Circular?SA?2023-24/2619, Dated: 21.08.2023

Dear Sir/ Madam

This is a reference to the subject mentioned above. The 2018 scheme, 2021 scheme, and 2022 scheme are now in operation; students enrolled in the 2018 scheme are in their eighth semester, while the 2018 programme is being phased out for the fifth and third semesters. Similarly, third semester students study in 2022, while fifth semester students study in 2021. The 2021 plan has also been phased out for the second and third semesters. Students who seek readmission (from 2018 scheme) to the fifth semester may be admitted to the 2021 scheme with extra topics to study and pass as part of equivalence, or they may be allowed to continue taking parallel classes in their original scheme. Please keep in mind that phased-out scheme's academic calendars are not designed for academic operations.

As a result, it is recommended that academic activities for parallel batches be conducted with extra sessions so that they are prepared to appear for their scheme examination as announced by VTU's examination section (which is scheduled much earlier than the duration of the regular on-going scheme examination).

All the principals of non-autonomous, constituent and autonomous engineering colleges under the ambit of the university are hereby informed to bring the content of the circular to the notice all concerned.
