CIRCULAR

Sir/ Madam

Subject: Intellectual Property Right Conclaveregarding...
Reference: Letter from college dated 21.04.2024
Hon'ble Vice-Chancellor's Approval Dated 22.02.2024

BNM Institute of Technology, Bangalore in association with **VTU, Belagavi** is organizing **INTELLECTUAL PROPERTY RIGHT CONCLAVE- 2024 on 14th and 15th March 2024 at BNMIT campus.** This event is sponsored by **We Grow Pvt. Ltd, Bhubaneswar.**

This Conclave will bring together eminent academicians, business titans, decision-makers, and innovators from all over the world to address and debate pressing issues of intellectual property rights. The conclave aims to promote cooperation, exchange best practices, and investigate novel solutions for the protection and promotion of intellectual property in the constantly changing international environment. The intellectual property rights conclave paves the way for research scholars to patent their research work at national and international levels. The experts drawn from industries and academia thoroughly assess the research work and help in patenting. Also, the keynote addresses from 20 eminent speakers from all over India will benefit the participants to know the methodology involved in claiming IP Rights.

All the principals of Affiliated, Autonomous, and Constituent colleges of VTU are informed to depute at least 3 Faculty members from their colleges. The principals can also attend this Conclave along with their faculty members.

About BNMIT

BN M Institute of Technology was established in the year 2001. It has achieved academic laurels and is one of the top preferred institutes in technical education in Karnataka. BNMIT has been granted Autonomous Status since June 2021 by UGC and VTU. BNMIT, a lush green campus is located at Banashankari, Bengaluru, a quiet and well-known locality with easy access to all essential facilities. BNMIT offers Engineering courses in Electronics and Communication Engineering, Electrical and Electronics Engineering, Computer Science and Engineering, Information Science and Engineering, Mechanical Engineering, and Artificial Intelligence and Machine Learning (AIML). The institute also offers post graduate programs in VLSI Design and Embedded systems, Computer Science & Engineering, and Master's in Business Administration. The institute is accredited by NAAC with 'A' Grade and all the eligible UG programmes are accredited by NBA, New Delhi. Department of Science & Technology has funded Rs. 2.87 Crores towards New Gen Innovation and Entrepreneurship Development Centre (IEDC). BNMIT has some more feathers on its cap; it's ranked (150-300) by NIRF INNOVATION-2023, Diamond Rating by QS I-Gauge, 26th Rank by TIME Survey, 34th Rank by Outlook and 40th Rank by Data Quest.

About the Visvesvaraya Technological University (VTU)

VTU is one of the largest Technological Universities in India with 24 years of Tradition of excellence in Engineering & Technical Education, Research and Innovations. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge.

University has very successfully achieved the tremendous task of bringing various colleges affiliated earlier to different Universities, with different syllabi, different procedures and different traditions under one umbrella.

The university is currently having 182 affiliated colleges, 1 constituent college and 25 Autonomous colleges with undergraduate programs in 37 disciplines, PG programs in 96 disciplines and Ph.D. & M.sc(Engg.) research programs with 7 faculty, over 3 lakhs Engineering Students study in the various institutes affiliated to the University.

About Intellectual Property Right Conclave:

The Intellectual Property Right Conclave is expected to bring together eminent academicians, business titans, decision-makers, and innovators from all over the world to address and debate pressing issues pertaining to intellectual property rights. The conclave aims to promote cooperation, exchange best practices, and investigate novel solutions for the protection and promotion of intellectual property in the constantly changing international environment. The intellectual property right conclave pave the way for research scholars to patent their research work at national and international levels. The expert drawn from industries and academia thoroughly asses the research work and help in patenting. Also, the keynote addresses and sessions planned shall benefit the participants to know the methodology involved in IP Rights

The outcomes of the conclave:

1. Contribution of IP to the national economic and scientific growth.
2. Provide a platform for collaboration with researchers from all around the world.
3. Provide knowledge about the patenting process and how to effectively convert an idea into a suitable IPR.
4. Provide innovation competition among all registered participants.
