We are pleased to announce an upcoming online session titled "Navigating the Path to Mastery: C Programming for Practical Skill Development" by Dr. Charles Severence (Dr. Chuck) from the University of Michigan.

Dr. Chuck is a clinical professor at University of Michigan School of Information, where he teaches various technology-oriented courses including programming, database design, and Web development. He teaches some of the most popular courses in Python on Coursera and recently launched his new specialization C Programming for Everybody.

#### Details of the session are as follows:

Title: **Navigating The Path to Mastery: C Programming for Practical Skill**

Speaker: **Dr. Charles Severence (Dr. Chuck)**

Affiliation: University of Michigan

Duration: 1.5 hours

Date: **28 February 2024**

Time: **2:30 PM**

Platform: **Google Meet**: <https://meet.google.com/hmn-wpby-dmh>

This session promises to be interactive and insightful, providing valuable knowledge and insights into programming languages, particularly C programming, and its relevance in modern programming paradigms.

We encourage all faculty members and students interested in enhancing their programming skills and understanding the fundamentals of C programming to attend this session.

Please disseminate this information among the concerned faculty members and students and ensure maximum participation from your institution.

Looking forward to your active participation and making this session a success.
