This is a reference to the subject cited above. The office of the undersigned received many inquiries from the stakeholders related to the conduct of an extensive survey in place of Mini-Project 21CVMP67. The matter was referred to the chairperson of the Board of Studies in Civil Engineering for an opinion or clarification. The clarification received from the chairperson is mentioned below:

The subject **mini project - 21CVMP67** has to be evaluated in 6th semester of B E civil engineering (2021 scheme). The Mini Project is a laboratory-oriented course that will provide a platform for students to enhance their practical knowledge and skills through the development of small systems/applications. Based on the ability/abilities of the student/s and recommendations of the mentor, a single discipline or a multidisciplinary mini-project can be assigned to an individual student or a group having not more than 4 students.
