## **Introduction**

International Women's Day (IWD) is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality.

### **International Women's Day: Theme2024**

The United Nations has designated the year 2024's theme as **'Invest in Women: Accelerate Progress'** with a focus on addressing economic disempowerment, while the campaign theme for this year is **'Inspire Inclusion.'** International Women's Day (IWD) is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality.

The purpose of the International Women's Day website is to support the supporters and to encourage worldwide engagement and collective action in advancing women's equality. In doing so, the IWD website provides a useful and collaborative platform that aims to help forge positive change for women worldwide.

In conclusion, the Women's Day celebration was a huge success. It provided an opportunity for women to come together, share their experiences, and inspire each other. It was a day to celebrate the achievements of women and to renew our commitment towards gender equality.
