Subject: MOOCs(Online Courses completion for PG students 2023-24 admitted batchregarding...

Reference: Scheme of Teaching and Examination
Chairpersons BOS for PG Programs VTU Belagavi approval Dated: 11.05.2024

The students admitted to 1st semester postgraduate programs in the academic year 20223-24 have to complete MOOCs (NPTEL) courses as per the scheme before the completion of the degree program. The following are the few guidelines given for the students to follow while completing the course.

1) For PG programs students, BOS-suggested ONLINE courses will be made available @https://online.vtu.ac.in/

2) These courses list will be added with the new courses every session as and when NPTEL publishes the list of new/updated courses (every Jan-April session / July-Oct session).

3) The courses under this category are online courses published in advance and approved by the concerned Board of Studies.

4) The students have to select the courses for study and pass that suggested by their Board of Studies (disciplinary or interdisciplinary)

5) Registration to this ONLINE (NPTEL) Course shall be done in consultation with the mentor and compulsory during the semester.

6) In case a candidate fails to appear for the proctored examination or fails to pass the selected online course, he/she shall register and appear for the same course if offered during the next session or register for a new course offered during that session, in consultation with the mentor.

7) The Ability Enhancement /skill Enhancement Course carries no credit and is not counted for **vertical progression**. However, a pass in such a course is mandatory for the award of the degree.

8) College has to submit the program-wise, course registration details of the students to the university.

9) The students want to enroll in a course or courses other than those that the Board of Studies has specified, but they discover that the content of those courses does not align with those in their program of study. However, he or she must request approvalfor the chosen courses from the University through the mentor, program coordinator, and principal.

10) M.Tech., M.Arch., M.Plan,and M.Sc(Chemistry)., students have to complete a total of two such courses, whereas, MCA students have to complete one online course to get eligibility for the award of the degree.(Each course should be of a minimum of 08 weeks duration. However, students can take two 04-week duration courses instead of one of 08 weeks duration courses).
