Dear Sir/ Madam

**Reference:**

1. VTU/BOS/AC2023-24/6540, Dated 27.02.2024
2. VTU/BGM/BOS/GoK/2024-25/6604m Dated: 04.03.2024
3. Guideline for working professionals AICTE APH 2024-25
4. Dean Faculty of Engineering VTU Belagavi approval-17.07.2024

This is in reference to the subject mentioned above. The following clarifications are provided regarding academic activities for both regular and working professional batch students:

1. The intake for the working professional batch consists of supernumerary seats in addition to the existing regular batch, similar to lateral entry students. However, classes for the working professional batch are conducted separately with a flexible timetable to accommodate their schedules.
2. The syllabus, assessment methods, and total credits required for the degree are the same for both working professionals and regular batches.
3. The **examination timetable** for working professionals and regular batch students is identical. Separate examination timetables for working professional batches are not permitted.

All principals of autonomous engineering colleges are hereby informed to **adhere** to these guidelines and **schedule the examinations** for both practical and theoretical courses/subjects along with the regular batch students. **Any deviation from this will be taken seriously.**
