ABOUT THE VTU

Visvesvaraya Technological University (VTU), established by the Government of Karnataka in 1998, is one of India's largest technological universities. It unifies 208 affiliated colleges, 1 constituent college, and 25 autonomous colleges, offering undergraduate programs in 37 disciplines, postgraduate programs in 96 disciplines, and Ph.D. & M.Sc. (Engg.) research programs. With over 3 lakh students, VTU promotes excellence in engineering and technical education, research, and innovation. The university has 13 Quality Improvement Programme (QIP) centers, 16 PG extension centers, and four regional centers in Belagavi, Bengaluru, Kalaburagi, and Mysuru.

ABOUT THE BIET

The Bapuji Institute of Engineering and Technology (BIET), located in Davangere, Karnataka, India, has a 45-year legacy of excellence in engineering and technology education. As technology evolves and competition increases, BIET is committed to continuous learning, research, and development. The institution integrates cutting-edge technology and modern educational practices to equip students for the contemporary job market, emphasizing hands-on experience, industry collaboration, and global exposure. Dedicated to nurturing talent and promoting innovation, BIET aims to remain a leader in technical education. The institute has received NAAC and NBA accreditation and has achieved autonomous status starting from the academic year 2024.

VISION

To be a centre of excellence recognized nationally and internationally, in distinctive areas of engineering education and research, based on a culture of innovation and invention

MISSION

BIET contributes to the growth and development of its students by imparting a broad based engineering education and empowering them to be successful in their chosen field by inculcating in them positive approach, leadership qualities and ethical values

ABOUT THE ORGANIZING DEPARTMENT

The Department of Information Science and Engineering, established in 2000, aims to produce top IT professionals. Starting with 60 students, intake has grown to 300 per year. Led by Dr. Shamanur Shivashankarappa, the department has advanced in infrastructure, facilities, and teaching. It has state-of-the-art labs, a library, and experienced faculty. Many graduates hold prominent global positions. Recognized as a remote center by IIT Bombay, the department promotes faculty development and has an Industry 4.0 Center of Excellence with Rovelabs. Events like Aarohana and Insync enhance students' technical and cultural skills. The department's success is due to strong stakeholder support and aims for further growth.

CALL FOR PAPERS

Paper submission instructions and templates are available on the conference website under "Call for Papers." Submissions should be up to 6 pages in PDF format. Accepted papers, presented at the conference, will be considered for inclusion in the conference proceedings and forwarded to IEEE Xplore. Outstanding papers will be eligible for the Best Paper Award in each session.

ABOUT THE CONFERENCE

The First International Conference on Innovations in Communications, Electrical, and Computer Engineering (ICICEC 2024) will be hosted by the Bapuji Institute of Engineering and Technology, Davangere, Karnataka, India, on October 24th and 25th, 2024, in hybrid mode. ICICEC 2024 aims to provide a platform for researchers, academics, and industry professionals to present and discuss their findings in Electrical, Communication, and Computer Engineering. The conference will feature keynote and plenary lectures from distinguished speakers from IITs, NITs, R&D organizations, and other reputed institutes globally.

AUTHOR GUIDELINES

Prospective authors are invited to submit their full length research articles (in pdf format) to icicec@bietdvg.edu. Author guidelines and IEEE Conference manuscript template is available at the IEEE official website <https://www.ieee.org/conferences/publishing/templates.html>.

For more details, please visit the conference website.
