### CIRCULAR

**Subject:** Instruction for writing Course (Subject) Code on the answer booklet during the upcoming PG Theory examinations regarding...

**Reference:** VTU/EXAM/QPDS/CS(1)/2024-25/1681, Dated: 20.03.2025

This is regarding the subject mentioned above: The 1st semester examinations for the 2024 scheme PG programs are scheduled to commence on April 7, 2025.

Previously, course codes included a year indicator, such as 22LCS215A or 24LCS215A, where "22" or "24" represented the year of scheme implementation 2022 or 2024 respectively. However, with the implementation of NEP 2020 for postgraduate programmes, the coding system has been revised to replace the year code with "M" for Master's programs.

For example, MLCS215A now represents a professional elective course code, where "M" signifies a Master's program, "LCS" denotes the program code, "215" indicates the second semester and fifth subject, and "A" represents the first subject within the grouped elective courses.

Master's	Programme code	Sem-PEC-fifth	1 <sup>st</sup> subject in the basket
M	LCS	215	A

**The sample copy of the first page of the answer booklets is attached to the circular for reference and use.**

To make use of the pre-printed answer booklets for the new course codes, the following adjustments are requested while writing the course code:

For example, for PCC and PEC courses, the course codes **MLCS201** and **MLCS215A** respectively should be marked on the first page of the answer booklet as indicated below.

Subject Code for MLCS201 (Example-1)

		M	L	C	S				2	0	1
--	--	---	---	---	---	--	--	--	---	---	---

Subject Code for MLCS215A (Example-2)

		M	L	C	S			A	2	1	5
--	--	---	---	---	---	--	--	---	---	---	---

Please note 215A the letter **A** is written prior to 215

All principals of engineering colleges under the university's jurisdiction, as well as chairpersons and program coordinators of university departments, are hereby instructed to ensure that the contents of this circular are communicated to all concerned without fail.

*Handwritten signature and date: 26.3.25*

Additionally, students must be instructed to follow the specified course code marking on answer booklets during examinations without any errors. Examination hall supervising faculty should be strictly directed to guide students in adhering to this requirement.

**Enclosures:** Answer booklet's 1<sup>st</sup> pages
