As many great leaders have often emphasized by "*Network is Net Worth.*" This statement holds true—scaling any business depends significantly on the collaborations it builds. Meaningful collaborations emerge from networking, which happens at meets, conferences, summits, and other industry events.

With this vision, we are excited to launch **Student Startup Yatra** on the **27th Foundation day of VTU on April 1st**, to join the **Startup Mahakumbh** which is happening at **Bharath Mandapam, New Delhi**.

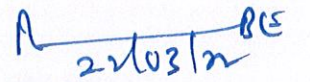

This **08-day journey** from **VTU Belagavi** to **New Delhi** includes interactive workshops; mentorship sessions, valuable networking, startup showcase events and pitching of ideas.

This fee can be arranged from student development fund or skill lab fund or entrepreneurship development fund of the college. For more details, please go through: <https://startupmahakumbh.org/>

In this regards, we urge all the associated colleges to **nominate a team with one best AI driven innovative idea/project. The nominated team should have at least 5 students who have dream of becoming an entrepreneur.** Selection is based on **first-cum-first basis** as we have approval only for **40 teams or 200 members whichever is less.**
