Circular

Sub: Uploading the 2nd semester scheme & syllabus of the PG Programmes (Mechanical Engineering Stream – 2024 Scheme)

With reference to the above, this is to inform you that as per the suggestions of the Chairperson, Board of Studies in Mechanical Engineering, VTU, Belagavi, typo error corrections are made in the existing 2nd Semester Scheme & Syllabus of the following PG Programmes (Mechanical Engineering Stream – 2024 Scheme) are uploaded in the University website link: <https://vtu.ac.in/en/pg-scheme-syllabus/#pg5>.

- 3) Master of Engineering Management
- 14) Design Engineering
- 16) Machine Design
- 19) Thermal Power Engineering/Thermal Engineering
- 22) Robotics and Mechatronics

The reason for the typo error correction is that 1st Semester – Professional Elective1: MME114D – Vibration and Condition Monitoring (currently offered to 1st semester students of the 2024-25 batch) is repeated in the 2nd Semester – PCC (Core Subject): MMMD/MMDE202 – Vibration and Condition Monitoring (the content of both these courses is identical) in the Scheme & Syllabus of the above Programmes.

Hence, the Principals of all the Engineering Colleges are hereby requested to bring the content of this circular to the notice of the concerned teaching faculty and students of their college, inform them to refresh the website and follow the updated scheme and syllabus uploaded in the website.

R. Rangaswamy
Registrar

To
