IEEE Xtreme 18.0 - Ambassador Program Results

Dear applicant,

I hope this email finds you well. I'm Varghese Babu, serving as the IEEE Xtreme 18.0 Ambassador Program Lead. IEEE Xtreme is IEEE's largest programming competition in which teams of IEEE Student members - advised and proctored by an IEEE member, and often supported by an IEEE Student Branch - compete in a 24-hour time span against each other to solve a set of programming problems.

This year, we received a huge number of registrations from all around the world for the Ambassador Program. I am pleased to inform you that you have been **selected** as the **IEEE Xtreme 18.0 Student Ambassador** for your Student Branch.

We would like to invite you to join our family to lead, learn, and explore. Being a Student Branch Ambassador for such a prestigious competition is a matter of both pride and responsibility. We firmly believe that you have what it takes to be a responsible representative, and we look forward to working with you.

I would like to invite you to join our IEEE Xtreme 18.0 Global Student Branch Ambassadors WhatsApp group by **Saturday, May 25th, 2024**, to **confirm** your position.
