Sub: Updated 2025 Scheme Syllabus for First Year Courses – regarding

Sir/Madam,

Based on the feedback received during the **Faculty Development Program** conducted on 30.08.2025 at different regions of VTU for **Basic Science courses**, the Board of Studies Chairperson and members have reviewed and updated the syllabus. Similarly, based on the feedback, the **Board of Studies in Electrical & Electronics Engineering, VTU Belagavi**, has also updated the syllabus.

The updated syllabus has been uploaded by replacing the earlier files on the University website at:

📄 <https://vtu.ac.in/en/b-e-scheme-syllabus/>

All Principals of affiliated and constituent colleges are requested to:

- Disseminate this information to all faculty members handling First Year subjects.
- Inform First Year students accordingly.
- Advise faculty and students to **refresh the web browsers** and download the **latest updated syllabus files**, in order to avoid accessing old versions stored in cache memory.

This may be treated as **important**.
