Subject: Registration for Internship (Even Semester – Final Year Students)

Reference: The Hon'ble Vice-Chancellor's approval, Dated: 23.10.2025

Dear Sir/ Madam

Greetings from Visvesvaraya Technological University (VTU)!

As per our previous circular, students who opted for internships during the *odd semester* have already registered through VTU's online platform. We sincerely thank all faculty coordinators and institutions for their cooperation and continuous support in facilitating genuine internships that help students acquire real-world skills.

Similarly, all *faculty coordinators* guiding and monitoring students during their internships are requested to ensure that every student maintains an **Internship Diary** — both in *physical format* and through the **online portal**.

To facilitate a smooth internship process for all *final-year students* undertaking internships during the **8th semester (Even Semester)**, the University intends to begin the **registration process well in advance**. This will enable timely support and ensure that all eligible students can undergo internships without any inconvenience.

Accordingly, all Principals of Autonomous, Non-Autonomous, Constituent Engineering Colleges, and Chairpersons/Programme Coordinators of University Departments are hereby requested to:

- Motivate students to identify and select suitable internships of their interest.
- Ensure that students register for the internship through the VTU Online Platform.

Registration begins on: [27th October 2025]

Last date for registration: [29th Nov 2025]
