CIRCULAR

Subject: Internship for Mechanical & Civil Engineering stream Students – reg.
Reference: The Hon'ble Vice-Chancellor's approval dated-13.12.2025

It is hereby informed that the VTU Internship Portal has been enabled to facilitate internship opportunities for students of all engineering streams. While a higher number of companies are registered for circuit branch streams such as EEE, ECE, CSE, etc., adequate internship opportunities are also available for Civil Engineering and Mechanical Engineering students.

It has been observed that several organizations relevant to the Civil and Mechanical Engineering streams are willing to offer internships to VTU students but do not enter their details directly on the VTU Internship Portal. In such cases, the College/Departmental Internship Coordinator shall enter the details of these organizations on the portal and ensure appropriate internship provisions for students, particularly those of Civil and Mechanical Engineering streams.

The procedure for entering organizational and internship details on the VTU Internship Portal was explained to all college internship coordinators in detail during the meeting held on 03 December 2025 from 09:30 AM to 12:30 PM.

In addition to above information students can always refer the Mandatory Guidelines for Internship which has been made available @ <https://vtu.ac.in/en/be-btech/>.

The list of organizations provided in **Annexure-I** for Civil and Mechanical Engineering students is indicative and not exhaustive. Students may also opt for local organizations/ industries/ companies/firms related to their respective streams, if the Internship Coordinator considers them appropriate for student skill development. Ask the such organization to register on VTU internship portal. The same will be reviewed and confirmed by the Standing Committee.

In cases where such organizations are unwilling to enter their details on the VTU Internship Portal, the Internship Coordinator shall enter the required details on the portal. The same will be reviewed and confirmed by the Standing Committee.

Following points are made clear for internship coordinator and Principals

1. All concerned **Internship Coordinators** are hereby instructed to properly guide the students and ensure that students are not advised to contact University officials directly for internship-related queries.
2. All Principals of affiliated colleges are informed not to compel or pressure students to undertake internships arranged by the college. Students shall be made aware of the available options and shall be **permitted to select internships on their own**, so as to avoid complaints to the University in future.
3. The organization/company/industry which are entered by the college coordinator/s will be reviewed and approved by the standing committee if they found appropriate to provide skill to engineering students.

Sd/-

REGISTRAR

To,

All the Principals of Non-Autonomous/ Autonomous/Constituent Engineering Colleges under the ambit of VTU, Belagavi

The Chairpersons/Programme coordinators of University Departments at Kalabugi, Belagavi, Mysuru and Muddenhalli, Bengaluru

Copy to:

- The Hon'ble Vice-Chancellor, through the Secretary to the VC, for information
- The Registrar(evaluation), VTU, Belagavi for information and needful
- The Director ITI SMU, VTU Belagavi, for information and to make arrangements to upload the circular on the VTU web portal
- The Director R & D and Global Campus, Belagavi, for information and needful
- The Special Officer, Internship, VTU Belagavi
- Office file

Annexure-I

ORGANIZATIONS FOR CIVIL ENGINEERING STUDENTS

Civil Engineering students may carry out internships in the following categories of organizations:

A. Core Sector Industries (Civil Engineering)

- Larsen & Toubro (L&T)
- Tata Projects Ltd.
- JSW Steel – Civil Divisions
- BHEL – Civil Engineering Divisions
- KPCL – Civil Projects
- Indian Railways – Civil Engineering Wing
- PWD (Public Works Department)
- CPWD (Central Public Works Department)
- BBMP (Bruhat Bengaluru Mahanagara Palike)
- Karnataka Urban Water Supply & Drainage Board (KUWSDB)
- Karnataka Rural Infrastructure Development Ltd. (KRIDL)
- Karnataka Housing Board (KHB)
- Town Planning Departments
- Construction Companies (Small, Medium & Large Scale)
- Structural Design Consultancies
- Geotechnical Engineering Firms
- Surveying & GIS Companies
- Smart City Project Offices

B. Government & PSU Organizations

- NTPC – Civil Divisions
- KPTCL – Civil Works
- ISRO – Civil Infrastructure Projects

- DRDO – Civil Engineering Divisions
- NAL – Infrastructure Projects
- Mangalore Refinery & Petrochemicals Ltd. (MRPL)
- Karnataka Milk Federation – Civil Projects
- Hutti Gold Mines – Civil Works

8/10/19
10/10/19

C. Research & Academic Institutions

- IISc, IITs, NITs – Civil Research Labs
- CSIR Labs (e.g., CBRI, CRRRI)
- VTU Research Centers
- AICTE IDEA Labs
- Faculty-led funded research projects (AICTE/DST/DBT)

D. MSMEs & Startups (Civil Domain)

- MSME-registered construction firms
- Startups in:
 - 1. Smart infrastructure
 - 2. Sustainable construction
 - 3. Surveying & mapping
 - 4. Water management
 - 5. Environmental engineering

E. Societal & Rural Internship Organizations

- Gram Panchayats
- Municipal Corporations
- NGOs working in water, sanitation, housing, environment
- Unnat Bharat Abhiyan (UBA) partner villages

Students may also undertake internships under **College-level Centres of Excellence, Skill Laboratories, or funded research projects** being carried out by the faculty of the respective colleges.

2. APPROVED ORGANIZATIONS FOR MECHANICAL ENGINEERING STUDENTS

Mechanical Engineering students may undertake internships in the following organizations:

A. Core Sector Industries (Mechanical Engineering)

- Ashok Leyland
- Tata Motors
- Mahindra & Mahindra
- Maruti Suzuki
- General Motors
- HAL (Hindustan Aeronautics Limited)
- BEL (Bharat Electronics Limited)
- BHEL (Mechanical Divisions)
- JSW Steel
- NTPC – Mechanical Divisions
- KPCL – Mechanical Projects
- Indian Railways – Mechanical Wing
- Automobile Testing & R&D Centers
- Manufacturing Industries (Small, Medium & Large Scale)
- Smart Manufacturing & Automation Companies
- 3D Printing & CAD/CAM Industries

B. Government & PSU Organizations

- ISRO – Mechanical Divisions
- DRDO – Mechanical Labs
- NAL – Aeronautical Mechanical Divisions
- ONGC – Mechanical Operations
- Karnataka German Multi-Skill Development Centers
- NATS (National Apprenticeship Training Scheme)

- NTTF (Pan India)
- Karnataka Soap & Detergent Ltd.
- Karnataka Milk Federation – Mechanical Units

C. Research & Academic Institutions

- IISc, IITs, NITs – Mechanical Labs
- CSIR Labs (e.g., CMERI)
- VTU Research Centers
- AICTE IDEA Labs
- Faculty-led funded research projects

D. MSMEs & Startups (Mechanical Domain)

- MSME-registered manufacturing units
- Startups in:
- Robotics
- Automation
- Renewable energy
- Product design
- Electric vehicles
- Industrial IoT

E. Incubation & Innovation Centers

- Atal Incubation Centers (AIC)
- Technology Business Incubators (TBIs)
- MSME Technology Centers
- VTU Innovation & Research Foundation (VIRF), Belagavi

Students may also undertake internships under **College-level Centres of Excellence, Skill Laboratories, or funded research projects** being carried out by the faculty of the respective colleges.
