CIRCULAR

Subject: Introducing the AICTE Activity Points Tracking System (APTS) VTU APP

Reference: Hon'ble Vice Chancellor; Dated: 17.02.2026

This is to notify all concerned that Visvesvaraya Technological University (VTU) has implemented the **Activity Points Tracking System (APTS) App** for the monitoring, verification, and compliance of AICTE Activity Points as mandated by the All-India Council for Technical Education (AICTE).

The app is free of cost, use of the VTU App is mandatory for all Engineering students of First, Second, and Third Year, with immediate effect. The VTU App shall serve as the official platform for recording, tracking, and validating Activity Points.

Activity Points not recorded through the VTU App shall not be considered for evaluation, except where explicitly permitted by the University.

Fourth Year students are exempted from this requirement, subject to confirmation that they have fulfilled the prescribed AICTE Activity Points and submitted the necessary documentation.

For Second- and Third-Year students, activities previously completed through manual records may be considered subject to verification as per University norms. The remaining activities shall be completed through the VTU App

A **maximum of 100 Activity Points** shall be awarded only upon successful completion and verification of all prescribed activities.

All Principals, Heads of Institutions, and students are hereby directed to ensure strict compliance with this circular. Any deviation shall attract appropriate action as per university regulations.

In continuation of the University's directions regarding the implementation of the **Activity Points Tracking System (APTS) App (VTU App)**, the following guidelines are issued for strict compliance by all affiliated institutions:

- **Geo-tagged photographs and location details are mandatory** for every activity undertaken through the VTU App. Photographs included in the final report must have been previously uploaded in the VTU App under the *"Upload Photos & Videos"* section. Activities without valid geo-tagged photographic evidence shall not be considered for evaluation.

- The VTU App shall automatically capture **check-in and check-out timings** for the accurate calculation of volunteering hours. Manual alteration or misrepresentation of activity duration shall attract appropriate action as per university regulations.

- **Login credentials** shall be provided exclusively to the **AICTE Activity Points Coordinators** through their official college email IDs. Institutions are responsible for ensuring the secure handling of credentials.

- In cases where **student data is not reflected in the VTU App** (particularly First Year student data pending from VTU records), institutions shall contact the **VTU Coordinator, Ms. Meera Rajagopal** (WhatsApp-+919448093938, email-meera.rajagopal@vtu.ac.in) who will provide the prescribed template for submission of student details and will be verified by the VTU, Examination/CNC Team and will be uploaded from the backend.

- As the submitted information is confidential, the duly completed template must be transmitted directly to the Lifecykul team via the designated email ID for backend data integration. Institutions shall not share student data through unauthorized channels.

Roles and Responsibilities

- Class-Level Execution:Activities in the VTU App shall be carried out by students under the guidance and support of the Class Mentor / Staff Coordinator. The Class Mentor may facilitate and advise students to ensure proper recording of activities.
- Department-Level Monitoring:Monitoring and verification of activities shall be undertaken by the Department Coordinator under the guidance of the Head of the Department, to ensure smooth implementation and consistency.
- College-Level Compliance:Consolidation and overall coordination shall be managed by the College AICTE Activity Points Coordinator under the guidance of the Principal, to ensure effective compliance with University requirements.

All Principals, Heads of Departments, Department Coordinators, Mentors, and AICTE Activity Points Coordinators are hereby directed to ensure mandatory usage of the VTU App and strict adherence to the above guidelines. Any deviation, negligence, or non-compliance shall be viewed seriously.

This circular shall be treated as urgent and mandatory for compliance.

Thanking you

Rauf/17/02/26

REGISTRAR

AICTE Activity point Co-ordina

To,

The principals of all affiliated (Non-Autonomous and Constituent) engineering colleges under the ambit of the university where MCA programme has been offered.

The Chairperson /Programme-coordinators of university departments at Kalaburagi, Mysuru, Belagavi and Bengaluru

Copy to,

1. The Hon'ble Vice-Chancellor, through the Secretary to the VC, for information
