CIRCULAR

Subject: Use of **2025 scheme Formula Handbook (1-4 semesters)** in Examination Regarding...

Reference: The Hon'ble Vice-Chancellor's approval dated: 11.11.2026

It is hereby informed that the Formula Handbooks prescribed for various courses under the 2025 Scheme are ready for procurement. In this regard, all Principals of affiliated colleges are informed to take note of the following instructions and make necessary arrangements for their timely procurement and use during the forthcoming examinations.

1. First and Second Semester Formula Handbooks

The Formula Handbooks for the following courses under the 2025 Scheme were supplied to several affiliated colleges during the previous academic year:

- Applied Mathematics (1BMATx101/201)
- Applied Chemistry (1BCHEx102)
- Applied Physics (1BPHYx102)
- Fundamentals of Electronics and Communication (1BESC104C/204C), Electronics and Communication Engineering (1BECE105/205)
- Electrical Engineering (1BBEE105/205), Introduction to Electrical Engineering (1BESC104B/204B)

Newly affiliated colleges and those that have not yet procured the above Formula Handbooks are informed to place their indents directly with the printer using the contact details provided below. Colleges that have already procured the required copies need not place a fresh indent, except where additional copies are required.

2. Third and Fourth Semester Formula Handbooks

The Formula Handbooks for **Mathematics** courses prescribed in the Third and Fourth Semesters of various UG programmes under the 2025 Scheme are also ready. The concerned colleges are requested to submit their indents directly to the printer and make the payment directly to the printer for procurement.

3. Mandatory Use of 2025 Scheme Formula Handbooks

In view of the substantial revisions made to the syllabus under the 2025 Scheme, colleges shall ensure that only the prescribed **2025 Scheme Formula Handbooks** are permitted for use during examinations.

4. Procurement and Availability for Students

Each college is informed to procure sufficient copies of the respective Formula Handbooks, corresponding to the total number of students appearing for the examinations. Every student shall be provided with an individual copy for use throughout the examination period. The handbooks cover all five models prescribed in the syllabus.

5. Instructions for Use During Examinations

The following instructions shall be strictly followed during the examinations:

a) Only original, printed Formula Handbooks prescribed under the 2025 Scheme shall be permitted inside the examination hall. Photocopies or Xerox copies of the handbooks shall not be permitted.
b) Each student shall use an individual copy of the Formula Handbook provided by the college. Exchange or sharing of handbooks among students during the examination is strictly prohibited.
c) The Room Supervisor shall collect the Formula Handbooks from the students at the end of each examination and ensure their safe custody for reuse in subsequent examinations.

Colleges are advised to place their indents and complete the procurement well in advance of the commencement of examinations. This will help avoid last-minute difficulties and ensure the availability of the required handbooks at the examination centres.
